RE: CONSIDERATION OF PROPOSED ORDINANCE CHANGING THE DATES OF THE RUNOFF ELECTIONS IN ACCORDANCE WITH THE CITY CHARTER AND STATE LAW

RECOMMENDATION

The City Clerk's office is recommending approval and is requesting the City Council adopt the attached Ordinance, amending Chapter 6 of the City Code of Ordinances entitled, "Elections", specifically at Article IV, entitled, "Elections Administration, and Section 6-76, entitled, "Dates of Elections" to change the dates of the runoff elections in accordance with the City Charter and state law.

BACKGROUND

The Supervisor of the Miami-Dade Elections Department has requested that municipalities hold general election and any run-off election a minimum of three weeks apart to provide the Elections Department with more time to prepare for the run-off election. On November 2, 2010, the question was placed on the ballot for consideration and received majority vote for adoption, to be incorporated in the City Charter. This change would benefit the City and the Elections Department in providing a more efficient and streamlined election.

Kevin Burns, Mayor
City of North Miami

North Miami, FL 33161

Dear Mayor Burns:

As you know, the City of North Miami is currently scheduled to hold the North Miami Regular Election on May 12 and the North Miami Run-Off Election on May 19, 2009. Allowing only one week between elections does not provide adequate time for the Miami-Dade Elections Department to prepare for the Run-Off Election; and more importantly, does not provide the voters of your city adequate time to vote and return their absentee ballot by the state-mandated deadline.

My office has communicated on several occasions with Jacqie Vieira, Deputy City Clerk, regarding our position; and most recently sent a letter to Frank Wolland, City Clerk stating that the Elections Department requires three weeks between elections in order to properly serve the voters of your city. Ms. Vieira continues to verbally communicate to my staff that Mr. Wolland refuses to change the date of the potential Run-Off. I am now escalating this issue to your attention so that you too are fully aware of the hardship that your city will be placing on the Elections Department and the voters of your jurisdiction.

Now that the Elections Department utilizes the optical scan voting system, much more preparation time is required. To illustrate, below is a list of procedures that must be conducted prior to the Run-Off Election, and therefore in less than one week:

- Update voter registration records
- Code, proof and test two different voting systems (optical scan and electronic)
- Order, print, process and mail absentee ballots
- Give adequate time to voters to receive and return their absentee ballot
- Reset, reprogram, and retest all election equipment
- Prepare for and conduct the state-mandated Logic and Accuracy Test (L&A)
- Deliver paper ballots and supplies to polling locations

It is a tremendous challenge for this Department to perform all of the procedures stated above in the timeframe that currently exists. We have a responsibility to carry out these activities accurately, and one week is not sufficient.

The greatest concern I have is in regards to your voters who take advantage of absentee voting. Presently, 2,030 voters are scheduled to receive absentee ballots for the Run-off Election. State law requires that the Elections Department mail ballots no later than the Friday before Election Day. This gives us three (3) days to code the election, and order, print, process and mail absentee ballots to these voters. Not only is this nearly impossible, the short time period may prevent voters from successfully returning the ballot to our office by the Tuesday deadline, thereby disenfranchising them.

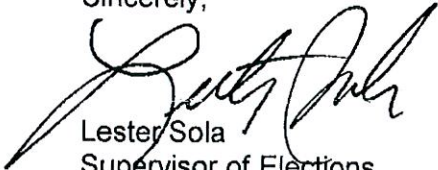

Florida Law clearly authorizes municipalities to modify election dates via ordinance; and the Charter for the City of North Miami explicitly references it. F.S. 101.75 - Municipal elections; change of dates for cause. I refer you to section (2): The date of the municipal election shall be set by the municipality by ordinance.

Therefore, I strongly urge that an ordinance be approved by your City Council moving your May 19, 2009 Run-Off Election to June 2, 2009 or beyond, giving us the three weeks that we require. We cannot compromise the integrity of any election by having to expedite procedures that require accuracy; and I believe it is our responsibility to allow voters sufficient time to vote their absentee ballots. I hope you support this position.

I would also like to mention that the Elections Department has been urging the City of North Miami to extend the timeframe between these elections since 2005. In fact, in 2005, Resolution R-2005-2 called for the elections to be held two weeks apart – May 10, 2005 with any necessary run-off election to be held on May 24, 2005. In addition, I have enclosed the letter sent to Mr. Wolland in 2007 for your reference. Thinking long term, I ask that you and your council propose to amend your charter to reflect the three weeks that the Elections Department requires to deliver thorough, complete, and accurate elections.

This letter begins and ends with our ability to provide the voters of your city with the level of service they deserve and you want to provide. Should you have any questions or require additional information, please feel free to contact me at 305-499-8509.

Sincerely,

Lester Sola
